Hello! This is **Regina Champo Engaenga.** I am so excited to be part of the great team on wikieducator. I'm having an interesting experience learning new things on the internet and the editing skills. I look forward to developing this skill and be able to contribute to the wiki community. ta...

who is Champo?

My names are Regina Champo Engaenga. Am a **social worker** by profession though am currently employed as a *Senior Customer Service Associate* by Post.Net Zambia Limited.

Qualifications

I graduated from The Uiversity of Zambia in 2006, with a B.SW Degree and I have since worked under the following portifolios;

• Community Welfare Officer - Ministry of Community Development and Social Services

• Communications Assistant - Society For Family Health.

• Loan Officer - FINCA Zambia

• Senior Customer Service Associate - POST.NET(at present).

Other studies I have done include

1. General Principles of Law
2. Health Care Ethics

interests

• reading

• politics(hot issues)

• learning new things/ innovation(more reason am on wikieducator, i love it!)

• social welfare services- are laid down policies followed? Really my concern as a young social welfare advocate.

many thanks!

to Victor, you have been of great help!

to do list

1. develop content on issues of social policy and how the affect the users of social services.
2. practice editing skills
3. fax my contract(oops!)

myself, in a relaxed mood

I am happy about;

1. being part of wikicommunity and learning new approaches in editing(am so proud!)
2. the great improvement on my page! it took me almost forever, but with a little help from a wikineighbour, its a must see!

3. contributing to wiki, enhancing my growth through learning and meeting others.

You have anything to tell me?
