

5. Activity : Locating Resources on the Internet

1. Visit <http://www.educationforallindia.com/and> find out what resources you can get there.
2. Open www.youtube.com and search learning theory video clips. View clips and share your experience.
3. Open <http://www.karunadu.gov.in> and view Karnataka tourism link.
4. Open any one university website and prepare a list of courses offered for current year.
5. Browse and list at least 20 education sites.

So you have begun your search. There is no end to it. Make the best of it. Send through email to online facilitator. Good luck.
