

# DEBATING MOOTS:

- That this country should stay nuclear free.
- That eating meat is murder.
- That private schools should be abolished.
- That all young people should have to serve in the Armed Forces.
- That capital punishment solves nothing.
- That examinations are not a good form of testing.
- That crime pays.
- That this country is too isolated.
- That health comes first.
- That the happy man does not work.
- That Rugby does not matter anymore.
- That the value of sport is over-rated.
- That single-sexed schools are outdated and pointless.
- That alcohol should be banned in this country.
- That teenagers are lazy.
- That space exploration is a waste of money.
- That people are fundamentally selfish.
- That life wasn't meant to be easy.
- That money is the root of all evil.
- That Christmas has lost its meaning.

- That television is made by idiots, for idiots.
- That Walt Disney has done more good for mankind than Shakespeare.
- That imagination is more valuable than knowledge.
- That there is too much emphasis placed on learning in schools.
- That school hours should be changed.
- That humanity has gained more from Science than Literature.
- That school teaches us nothing about real life.
- That competitive sport should be discouraged.
- That private cars should be banned from our streets.
- That young people today have it easy.
- That school uniforms should be abolished.
- That parents are to blame for young criminals.
- That new technology is making us blobs of stupidity.
- That it is better to be female than to be male.
- That a woman's place is in the home.
- That women have too much influence in today's society.
- That ghosts really exist.
- That intolerance is more dangerous than ignorance.
- That the unskilled worker has no future.
- That the human race no longer deserves to rule the earth.
- That a lot of money equals success in life.
