

8. Activity : Handling Hardware

1. Set up an overhead projector for displaying transparencies.
2. Set up a LCD projector for displaying Power Point Presentations.
3. Study how to operate **ROT** and **SIT** in your DIET. Share your experiences.
4. What are the common precautions to be taken in handling DVD and other multimedia players?
5. List electronic gadgets in your DIET.

Prepare a brief note on above activities and send through email to online facilitators.
