

# Formal Writing!

## 5 Paragraphs!

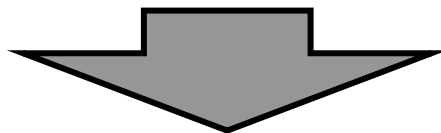

### Introduction

- Introduce your topic... ("imagine...imagine... imagine...")
- Make sure that your stance (view) on the topic is clearly stated (As simple as "I agree with this ...." Or "I disagree with this...")
- As briefly as possible outline your 3 major points...

### Main Ideas (x3 – Make them SEXY!)

- **S**tate your idea in a single sentence (a rhetorical question can work well here...)
- **E**xplain your idea further (be sure to use "BECAUSE" in your discussion)
- use **eX**amples if you can think of any decent ones
- add **Y**our own opinion (see if you can add "THEREFORE" in your thoughts)

### Conclusion

- A simple, final sentence or two that empahsises your P.O.V. and perhaps makes a bold concluding statement.

# Easy!!!
