

LESSON TWELVE

STARTER:

New Endings – on OHP, ask for feedback from students and write some ideas on board, before asking class to write their own ending as a creative writing task.

MINI-ASSIGNMENT

FOCUS ON...

Give students “focus on..” handout. This is a fairly straightforward piece of work that can be started in class and completed for homework. To save marking, go over with students on due date and collect in just to give an impression grade/comment.
