### NEWS RELEASE:

#### **Status of Kanhai Presbyterian Primary School**

The Ministry of Education has prepared a contract that will allow for a structured cost sharing arrangement for school re-construction with all De-nominational School Boards. However, the Presbyterian School Board has not given its approval for this cost sharing arrangement.

There currently exist designs for the Kanhai Presbyterian School that will be revised to incorporate new designs of the current Primary School brief.

Upon sign off on the contract by the Presbyterian School Board, arrangements will be made to expedite this matter in accordance with the Presbyterian School Board's priorities.

The Ministry regrets the decision of parents that prevented students from attending school. The School Supervisor has held discussions with the School's Principal and Parent-Teacher representatives and is continuing to monitor the situation.
