

<b>ASSESSMENT THREE</b>	<b>CLUSTER THREE – WORKING WITH THE COMMUNITY</b>	
<b>Candidate name:</b>		
<b>Units of competency:</b>	CHCCD412A	Work within a community development framework
	CHCNET301D	Participate in networks
	CHCCD401D	Support community participation
	CHCCD404D	Develop and implement community programs
	CHCCS414A	Provide education and support on parenting, health and wellbeing
	CHCGROUP302D	Support group activities

**Assessment task # 3.1**

Your area community development worker in a community with a significant number of families recently migrated to Australia. Two women from these families have approached you and explained their concerns about lack of cultural activities and opportunities to participate in community activities.

- What response would you provide for this enquiry?
- How would you apply the principles of participation apply in this situation?
- What factors might you need to consider for genuine community participation?
- Describe a planned approach to a possible community participation program, including funding opportunities, planning and management functions and review and evaluation.
- How would you know you are effectively supporting community participation?

*This task assesses CHCCD412A EI 1.1, 1.2, EI 3 & 4, CHCCD401SD EI 1 & 2, CHCCD404D EI 1, 2, 3 & 4, CHCNET301D EI 1.2, EI 2.2, CHCGROUP302D EI 1 & 2*

**Assessment Task # 3.2**

You are the local community development worker in a town which has seen significant hardship with downturn in primary industry and large scale unemployment and associated social issues. Many families are finding it difficult to remain in the local area and many services are closing like recreational centre and local area health has been reduced to 2 days per week, essential services like doctors, dentists and the chemist are now only available out of town.

- What are the primary concerns for the community in this scenario?
- What are your possible responses to this scenario when working within a community development framework
- What principles of community development apply in this scenario?
- Working within a community development framework, what actions would you take and how are these actions reflective of a community development framework?

*This task assesses CHCCD412A EI (All), CHCCD401D EI 1 & 2, CHCCD404D EI 1, 2 & 3, CHCCS414A EI 2.1, 2.4, 2.8*

**Assessment Task # 3.3**

You are employed by a local council as the community development worker. At the beginning of the year you are to plan for activities and programs that support community development and participation. You are about to embark on this planning process now, however the newly appointed local council members have asked you to present a brief discussion on "Community Development". You know that these people do not have an understanding of the theories, frameworks or concepts of community development and you need to inform them about:

Provide brief responses for each of the following:

- How are personal values and community development connected?
- How did the concept of community development emerge?
- What are the elements of contemporary community development practice?

Talk about the following in terms of community services work:

- Social movements
- Sociology
- Social theories
- Social inequality
- Sociology of class

*This task assesses CHCCCD412A EI (All), CHCCD401D EI 1.4, EI 2.1, CHCCD404D EI 1.4, EI 3.3, CHCGROUP302D EI 1*

**Assessment Task # 3.4**

The neighbourhood centre near your workplace has asked you to develop a young mothers' parenting education program with a focus on toddler nutrition and how to accommodate healthy eating on a budget.

How would you go about:

- Planning
- Facilitating
- Evaluating this program?
- How would you access appropriate resources?
- What might these resources include?
- How would you ensure the most accurate and up to date information is presented?
- What specific strategies would you use in the facilitation of the program?
- What logistical issues might need to be considered in this scenario when the targeted audience is young mums with toddlers?
- How would you plan and evaluate a community education program?

*This task assesses CHCCD412A EI 3 & 4, CHCCD401D EI (All), CHCCD404D EI 2 & 3, CHCCS414A EI (All), CHCNET301D EI 2.2, CHCGROUP30D EI 1 (All)*
